*"What a long, strange  
trip it's been."*  
– The Grateful Dead

Take a look into your past. View the winding path filled with twists and turns, landscaped by past choices and decisions. Retrace the stops along your journey. Your memories will always be with you. From freshmen orientation to graduation, these are the moments you will always remember.

Take a look into your future. New roads await you. Although there will be the usual potholes, slippery roads, and bumps along the way, your life is taking off and new vistas lie ahead at every turn. So take one last look in this "rear-view mirror" you now hold and get your bearings for the rest of the trip. Life is a journey. Enjoy the ride.

## Spirit Week: Seniors Show the Way

To the Senior Class, the month of November brought not only visions of turkey and giving thanks, but also thoughts of school pride and giving to the Billerica Food Pantry. From November 19-26, BMHS held its eleventh annual Spirit Week. From bunny slippers to beanies, flower children to sock-hoppers, the students and faculty went all out displaying their school spirit by participating in "Class Color Day," "Pajama Day," "Crazy Hat Day," and "Decades Day." The combined efforts of the four classes during the Penny War raised \$3524.03 for the Food Pantry. For the Senior Class, our last hurrah became our sweetest victory. We captured the Spirit Week title by winning several events including the Penny War, and were rewarded with a Friendly's ice cream party. Spirit Week was organized with the help of Mr. Staveley, Mrs. Devlin, class officers, and NHS.

## Road Warriors: Thanksgiving Game

On Thanksgiving Day the Billerica Indians defeated Chelmsford for the third year, giving the fans something more to be thankful for: a 20-21 victory over the Lions.

After the first quarter Chelmsford was up by a touchdown and they seemed to strengthen the lead when they connected a 64-yard touchdown early in the third quarter. With 10:36 left in the game, a 90 yard rushing TD by Tony Miranda had the Indians trailing 14-7. With six minutes left in the game an 8-yard rushing touchdown by Chelmsford would have given them a 14 point lead if it weren't for the extra point that fell short of the goal.

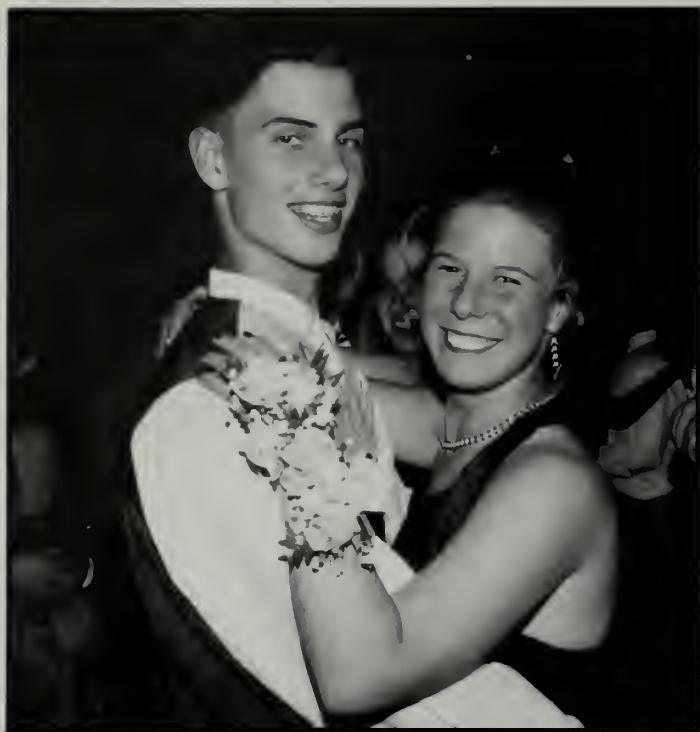

Still in the fourth quarter with time running out, a 15-yard pass by Chris Doneski brought Billerica back in the game, as the score board changed to 20-14 Chelmsford. Billerica got the ball back with 3:21 left in the game for the 2 minute heart-stopping touchdown drive. A one yard rushing touchdown tied the game at 20 a piece, only to be broken by a magnificent extra point with just over a minute left in the game.

"That football game was a great win for Billerica," said captain Eric Meuse. "Nobody ever let up and nobody can ever take this away."

*Right: "You look marvelous!"*

# Semi Formal: Social Intersection Proceed with Caution

Driving up a winding path towards the Irish-American Club, we anxiously waited for the evening to begin. It was our very first formal and it showed. Feeling awkward at first, one by one, sophomores began to fill the dance floor. As the music blasted and pictures were taken, we got down and boogied. The evening flew by and as the last song ended, we knew that it would be a great night to remember.

# Junior Prom: Limo Scene

## A Time to Remember:

The sun was setting and the final pictures were being taken. The Class of 1998 got into their limos and headed to a castle in New Hampshire. Within the castle awaited a ball and a court of people. There the Class of 1998 danced and had a good time.

This sounds like a fantasy, but it really occurred on May 16, 1997 at the Sheraton Tara Hotel in Nashua, NH. The class of 1998 joined together and had a ball at the Junior Prom. We danced to the Marcarena and reminisced about the past time spent together. It was a great night and can only be summed up by the Prom's theme song "These are the Times to Remember."

*Top: "Hey Scott, can you watch my purse too?"*

# SENIORS

# Class of 1998

*"Remember when we  
were care bears  
sophomore year?"*

Watch out for the bumps, seniors. There is uncharted territory ahead. There are speed traps in A.P. courses. There are casualties in the break down lanes of the attendance review board. Gym can be a definite road menace for the uninitiated. Buckle up for safety in Ms. Buckley's room, and don't be surprised if Mr. Flynn pulls you over for a pig lecture. Local H&G is a pit stop for one and all. Yes, it's a rocky

road to graduation and it's often paved with good intentions. (Right, Mr. O'Brien?) But some of our favorite stops have been the short cuts and side trips, for there, very often, the truly wonderful discoveries are made. Celebrate the hills and valleys. Leave skid marks on the road of life so people know you've been here. Follow your mind maps, Class of '98.

Enjoy our ride.

Some people  
Come into our lives  
And quickly go.  
Some people  
Move our souls  
To dance.  
They awaken us  
To new understanding  
With the passing whisper  
Of their wisdom.  
Some people make the sky  
More beautiful  
To gaze upon.  
They stay in our lives  
For a while,  
Leave footprints  
On our hearts  
And we are never,  
Ever the same.

Philosophers and the Nissan corporation tell us that life is a journey. So did our teachers who pointed out the pot holes and the detours and assured us that there would be consequences for wrong turns and regrets over roads not

taken. We thank them for their warnings and citations, for their road tests and maps. If we buy into this metaphor a little more, it's easy to see that school is one big driver's ed class.

To the Members of the Class of 1998:

The future is yours. It will be filled with boundless opportunities and the independence of adult life. But, with the future comes the uncertainties. Will society meet the challenges ahead? How will you measure yourself to these challenges?

The positives will outweigh the problems. Keep the winning spirit and the attitudes of success. I know you will be credit to yourselves, your families, and to the Town of Billerica.

I join with the Billerica School Committee in congratulating each and every one of the Class of 1998. May your future be filled with happiness and achievement.

Sincerely,

**Dr. Robert J. Calabrese**

Dear Graduates,

*We do not believe in ourselves until someone reveals that  
keep inside us is valuable, worth listening to, worthy of our  
trust, sacred to our touch. Once we believe in ourselves, we  
can risk curiosity, wonder, spontaneous delight, or any experience  
that reveals the human spirit"*

This observation by the poet, e.e. cummings, expresses for me  
my hopes about what BMHS has done for you, and also about  
what you are becoming as you enter the next phase of your life.

Our lives together at BMHS have hopefully been marked by  
our helping you to realize how valuable you are as individual  
persons. Armed with that belief in yourselves, may you taste  
the wonders of the future with curiosity, delight, and the de-  
ire to make our world a better place because of your efforts.

Congratulations on your graduation. Please stay in touch.

# THE ROAD TAKEN

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I —  
I took the one less traveled by,  
And that has made all the difference.

Robert Frost

There are those among us who avoid the beaten path, the safe road, the course of least resistance and, instead, pick a direction and go for it.

They find their bliss in serving others, creating art, mastering perplexity, going for the gold. In a world of too many choices and not enough time, they find an interest early on, make a stand, and dig in.

Their roads may not be the ones most of us would travel, but for these members of the class of 1998 fervent passion, can-do commitment, and singular focus have "made all the difference."

Kristin Jamieson

For all the things Kristin Jamieson had her senior year in high school, spare time definitely wasn't one of them.

This year, Kristin participated in a wide range of activities both inside and outside of the classroom. But, unlike many of her classmates who were performing on the stage or playing on the field, Kristin was involved in some unique activities for a high school student. One of these activities was teaching skiing to the blind and those who are physically challenged at Mount Sunapee. Kristin chartered her love of skiing to those who were not as fortunate as she. During her time as a ski instructor, Kristin felt that she gained by learning all the remarkable capabilities of those who were physically challenged.

Besides volunteering to teach skiing to the blind, Kristin plunged into many other activities her senior year. A peer leader and Sunday school teacher, Kristin talked to elementary students about the dangers of drugs and alcohol in the DARE program. She also was the co news editor of the school newspaper, working on the paper until nine or ten at night during "production week" of the paper.

With all these activities, Kristin never neglected her schoolwork, graduating with honors. Kristin also maintained a part-time job at Carlton-Willard working twenty plus hours a week. She will attend the University of Vermont.

Dave Hudson

Dave Hudson had a busy senior year, and it wasn't just because of college applications. While others were filling out FAFSAs and transcript request forms, this 18 year old senior was getting a taste of politics, campaigning for election to the school committee. He is now the only teenager in the history of Billerica to be elected to this position.

"Many people think that my age hurts me," said Dave, "But I do not think so. I think it makes me more qualified. I know how the students feel, and by myself being on the board, it brings more student opinion to it."

Dave campaigned hard to win the position, having signs made and holding them at the common. He also met with people at political functions, where he received positive feedback from others about his running for an elected office.

Dave wanted to get involved in local politics for awhile, and hopes others his age will, too. "Students our age either do not think they could get involved, or they think they will not be effective because of their age," he says, "I believe more people our age need to become more involved and I encourage anyone who has an interest to get involved."

While Dave fulfills his commitments to the school committee, he will attend UMass Lowell.

Huei-Ming Wu

For Huei-Ming Wu, the only barrier to success at B.M.H.S. was language, and she scaled that wall by her sophomore year. Her friends say that by Senior year she said "whatever" with the casual flair of any Billerica-bred kid, even telling friends that her American was better than her Chinese.

Arriving for freshmen year from Taiwan, Huei-Ming won over students and faculty alike with her incredible positive attitude and good nature. She joined S.A.D.D. and other campus groups, but school work was always major.

We salute her for her sweetness, her love of laughter, her adaptability to change, and her absolute consideration of the rights and feelings of others. How lucky we were that she joined the Class of '98.

Marie Liberatore

Whether she was writing a poem for the literary magazine, performing in the spring musical, or meeting with her fellow science league members, Marie Liberatore always seemed to have a passion for her many interests . . . And what a diverse list of interests she had!

In her four years at BMHS, Marie was actively involved in the school's dramatic and musical productions. Why this passion for drama? "I like to play," Marie explained, "It [acting] gives me a chance to do something I normally wouldn't do." While Marie enjoyed performing on stage, she also liked to work behind the scenes with the stage crew.

Writing has always been second nature to Marie. "It's just there," she commented, "I have to do it." Thus, it comes as no surprise that Marie plans to pursue a career in writing. She plans to write fiction and screenplays.

Despite her interest in drama, literature, and music (she was a four year chorus member), Marie's curiosity delves beyond the realm of the arts. She was president of the science league and was a member of the Junior State of America.

Marie's broad spectrum of interests went far beyond her extracurricular activities. Outside of school, Marie enjoyed drawing, reading, babysitting, and criticizing movies. Marie also learned to garden and play the guitar.

Marie will attend UMass Amherst. There is no doubt that her thirst for knowledge will allow her to achieve all of her goals and dreams.

Nathan Tobey

Outing and Environmental issues are not on the minds of most seniors. We walk down the halls littering and cram the student parking lot with cars. It is evident that the environment is not the senior class's number one concern in life. However, it is important to senior Nathan Tobey.

During the past four years, Nathan Tobey has been trying to combat this problem. He wants people to recognize and respect the environment. In order to do this, he plays an active role in the school's Outing and Environmental club. He is also a member of the ecology staff at Camp Wah-tut-ka.

The combination of Nathan's love of nature and the public's disregard for the environment influenced him to pursue a degree in this field. Nathan will be attending the Stockbridge School at UMass Amherst to study Urban Forestry. He wants to teach people how to plant trees in a way that can best service the public and the environment. He will know how to plant trees in order to reduce the need for air conditioning as well as beautify and restore the environment. Nathan is somewhat of a pioneer for Billerica High. He recommends that if anyone wants to follow in his footsteps they must have a love for the outdoors.

Davis Merritt

Everywhere at BMHS, there were interesting students who did interesting things and most people didn't even know about them. One of these students was Davis Merritt.

Davis has been fencing for 12 years. Fencing is a unique sport for which he has won many awards. He got involved in fencing when he was five years old as a way to get rid of excess energy. Another reason was that he "loved He-Man." Davis became interested when his parents took him to see fencing for the first time. Since he thought it looked interesting, Davis tried it and has been doing it ever since.

When asked why he participates in fencing, Davis said, "I enjoy the competition, how it constantly changes and how you must think to win." This attitude drives him to success in his sport.

Davis has been all over the world competing against some of the best fencers there are. His various honors include being National Champion in his age group in 1993, 1994, 1995, and 1997.

Davis has also been a member of the Junior Pan-American team and the Junior World team. Currently he is ranked 10th in the under 20 age group and plans on attending the 2000 Olympics in Sydney, Australia or the 2004 Olympics.

Catie Rideout

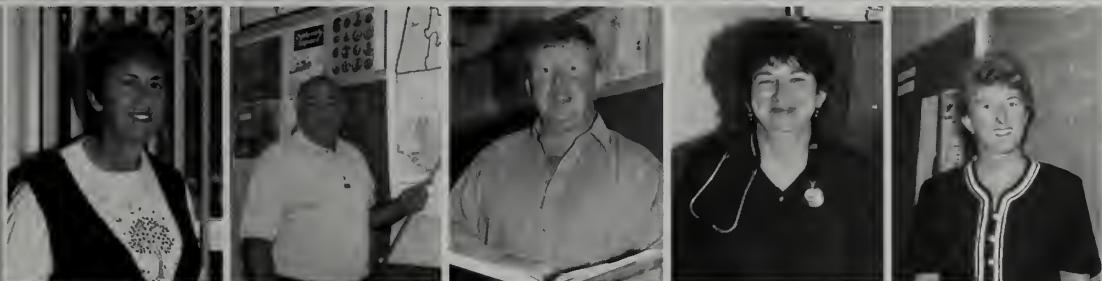

BMHS has its share of people who are gifted with the ability to create music. One such person is Catie Rideout. Catie has been active in the Billerica music program throughout her high school career. She began her study of music when she started playing the flute in the fourth grade. In the eighth she started playing the piccolo, which she played for three years in the high school marching band.

During her Senior year, Catie was selected as the band's field director — the highest position a student can hold in the band. Under her leadership the band had a successful season, winning the Easter Marching Band Association (EMBA) Championship. The band also took a trip to Arizona where they had the opportunity to perform along with other bands from around the country. During this trip, Catie was named as Best Drum Major Field Director.

In addition to participating in the band, Catie has been active in other areas of the school's music program. She has been a member of the Stage Band and Winter Colorguard for two years. She was a member of the cast of *The Sound of Music*, and she plays the alto saxophone as well as the keyboard.

Catie will attend UMass Lowell and major in music education.

Katie Donovan

As you walked down the halls of BMHS, were you aware that there was a business program offered to members of the junior and senior class? Katie Donovan, a member of the DECA program, was one who could tell you all about it.

As a senior, she participated in DECA (Distributive Educational Clubs of America). This consisted of many activities including a class at the high school and various out of school functions.

To become acquainted with the program, Katie attended a district-wide DECA orientation where she met others from local schools involved in the program. It was there where she became interested in the Retail Merchandise Management Category. This was helpful in her after school job at a local retail store.

In class, she and her classmates would prepare for their competitors. Katie made it to the district competition placing very well. She also assisted in sending other class members to the state competition where Billerica displayed huge success.

All in all, Katie enjoyed the class and her whole DECA career. "It was a great experience. It made me think of my opportunities in the world of business." Katie plans on pursuing a career in the retail business and she feels that the DECA experience has prepared her well for that. BMHS has so many options when choosing classes, and Katie exemplifies the success of the DECA program.

Jeff Trout

While most of us use computers every day, we probably don't understand how they really work. One person who does know about the inner workings of computers is Jeff Trout. Jeff's knowledge of computers has been invaluable in helping Billerica Memorial High School get connected to the Information Superhighway. He has helped the school get wired by setting up the internet server for BMHS and networking a laboratory of 30 computers. Jeff has also helped to create the school's web page and has designed the internet entry system so that students could enter their yearbook memories electronically.

In addition to helping the school with its computer systems, Jeff has made computers a hobby in his spare time. He enjoys computer programming, electronic music composition, and taking part in internet chat rooms. Jeff first started to use computers when he was three years old, but he didn't start the "serious stuff" until he was about 13.

Jeff plans to make his computing hobby into a career. He will attend UMass Lowell as a computer science major.

Shonna McEachern

Jonathan Fardy

Colene Blanchet

We knew her as "Bloody Mary" in *South Pacific*, "Hodel" in *Fiddler on the Roof*, and "Mother Abbess" in the *Sound of Music*. For four years, Shonna McEachern graced the BMHS auditorium with her talent, poise, and her trademark crystal clear voice.

Shonna's talent gained her many prestigious honors and awards throughout her BMHS career. For example, she was voted Most Talented of the senior class, she won the all state (MMEA) award, and was in senior district for three years.

Shonna says that both her parents have been extremely supportive with all she has done. She also says that her mom was really the one who inspired her to move in the direction of music.

It wasn't just during the school year that Shonna dedicated her spare time to acting and singing. During the summer, Shonna stayed in Waltham at the Reagle Players. There she volunteered her time acting and singing in musicals. Just recently she was the understudy of Donna Kane. When Ms. Kane lost her voice, Shonna was able to sing in her place for a dress rehearsal down in the pit. Ms. Kane showed her appreciation by giving Shonna a necklace that she still wears to this day.

Shonna also took part in a Radio Show called the Colonial Radio Players. In the past she performed in *Jack and the Bean Stalk*, *The Clock*, many versions of *A Christmas Carol*, and all sorts of Charles Dickens stories.

Shonna is attending Wagner College in New York. She will study theater.

The ability to create visual art is a rare gift. BMHS was fortunate to have had a student like Jonathan Fardy who possesses this gift. Jonathan has taken advantage of the high school's art department for four years. During his high school career he has developed his talent for creating art by taking General Art, Fine Arts, and Advanced Fine Arts.

In addition to taking classes at school, Jonathan enjoys developing his skills as an artist in his spare time. He works in a variety of media including painting, drawing, and collage. The creation of some artistic project is something that he works on every day.

Jonathan says that he grew up around art, but that his interest in creating art didn't emerge until he was in the eighth grade. A painting by Matisse first inspired him to pursue the study of art.

Jonathan plans to make art his career. He will attend Framingham State College as an art major.

Intensely individualistic, yet committed to our Billerica community, Colene Blanchet was one of the class's not-so-secret assets. Usually found in the art room working on her oils and acrylics, Colene made creating her mission here, eventually winning the art department scholarship. But wait, there's more! Her love of music was another dimension of her creativity and she cherished her guitar collection. And the school cherished her devotion to the annual SPAC concert, which she ran, and to stage crew, where she was a very visible presence on every production. And if you missed her at school, she was the friendliest person at work in Friendly's in her spare time. Headed for a career in fine arts, Colene makes a stop at Mass. College of Art for the next four years. Then Oh the Places She'll Go. We'll be watching.

# On the Autobahn: HAPPY WANDERERS IN EUROPE

Billerica students travelled into foreign territory this school year, and from all reports had a wonderful time.

"All roads lead to Rome," and that's where February vacation found Ms. Palma, Ms. Burke and a group of intrepid students. Besides Rome, the trip included stops in Venice, Florence, Assisi, Rimini, and Perugia. The spectacular Colosseum, inspirational St. Peter's Basilica, and innumerable works of art became more than photos in a text book for these travellers, who are also quick to point out that the Italian food was definitely better than "pasta your way" in the cafe.

A few months later another cadre of BMHS students were seen strolling down the Champs Elysses in Paris and examining Picasso and Dali paintings in Madrid. Ms. Petrone, a veteran tour leader, escorted her charges to the Arc de Triumph and Napoleon's tomb in France, but made sure that there were "cultural comparison" visits to such exotic locations as the Hard Rock Cafe and MacDonald's.

Cultural exchange students said goodbye to families and friends when they set out on a two week sojourn in Waldorf, Germany. The students and their chaperones, Ms. Galston and Ms. Bacon, stayed with host families, attending school there briefly (note: school starts at 9 a.m. — how civilized!) and taking trips into the beautiful countryside. They also sampled Youth Hostel life, an arrangement more familiar to European kids. Students bunk in big rooms with many other students and conditions are austere, but the lower pride and instant comraderie make it a popular form of travel accommodation.

All these happy wanderers have just had a taste of where destiny may lead them and look forward to further travel adventures.

"Participating in the German exchange was an unforgettable experience." — Kristin Jamieson

## *Where the Rubber meets the Road*

Yes, the wheels of the bus go 'round and 'round, and they take Billerica Indians over hill and dale throughout the Merrimack valley, and occasionally, at the end of a particularly fine season, beyond. The signs of autumn appear everywhere in our travels: dew on the grass on our playing fields, leafy reds and yellows along the cross country course,

snow flakes dusting the Marshall field during a late practice. Every fall offers us a new beginning and a fresh start. Fall athletes find the football field freshly painted, the pools chlorinated, the floorboards waxed, the fairways cut, and nets restrung and ready to capture our hopes of victory.

# Girls Soccer Net Victories

This year the girls soccer team, although losing the well known McHale and Bird (otherwise known as Jakie MacLean and Wendy Boudreau) had an impressive record of 13-4-1, with solid wins over teams like North Andover and Pentucket.

This year's team consisted of:

Freshmen — Jody Graham and Rachael Button

Sophomores — Mary Sullivan, Kelly Jillete, and Lyndsay O'Leary  
Juniors — Lisa Daye, Colleen Murphy, Jenn O'Brien, Jenn Regis, Carissa Carsno, Jolene Casalinaova, Amy Whittenhagan, Cynthia Moreira, and manager Colleen Banfield

Seniors — Christina Richards, Captain Amy Krasowski, Captain Kristalyn Miller, and Captain Peggy Pulliam.

Many girls received honors this year. Making the All Star Team were Sophomores Mary Sullivan and Kelly Jillete; Juniors Colleen Murphy and Carissa Carsno; and Senior Captain Amy Krasowski. Making the All Conference Team this year were Junior Jenn Regis and Senior Captains Kristalyn Miller and Peggy Pulliam. Making the Eastern Mass All Star team was Senior Captain Kristalyn Miller. Junior Lisa Daye broke the shutout record with 30 career shutouts. Sophomore Mary Sullivan tied the record for scoring five goals in one game.

We want to thank the team for making our last year the best. We'll never forget the pasta parties, Haverhill, tie dying, dancing, Peggy singing, Keltuth, those supposedly quiet bus rides, and one more thing girls: remember, next year no wrestling.

# Boys Soccer Charging the Net

The 1997 Boys Soccer Team season was one to remember. We finished the season with an overall record of 15-2-1 and, most importantly, we won the MVC Championship. The success of the team could be attributed to all the hard work and dedication of the players.

This year Tom Blesso received the MVC Player of the Year Award and was also selected to the All-Conference Team. Scott Yavarow, Darryl Plimpton, and Chris Cowan were also named to the All-Conference Team. Bob Wamness and Justin Plimpton were named to the All-Star Team.

The last game of the season ended up being the game of the year. Billerica, in first place, hosted second place Dracut and the winner walked away with the MVC title. Billerica came out on top with an emotional 3-0 victory.

The graduating Seniors from the team included Charlie Ardell, Bob Wamness, Tom Blesso, Scott Yavarow, Darryl Plimpton, Chris Cowan, Joe Tasso, Dan Salerno, Scott Pomerleau, and Chris Foley.

# Girls Volleyball Going for a Spike

They were a team of underdogs. No one expected them to end the season with a record above 500, much less have a shot at the states. Nonetheless, with the odds stacked against them, the BMHS girls volleyball team proved the skeptics and the doubters wrong. They ended the season with a dazzling 13-7 record and with a chance at the states!

The 1997-98 team was characterized by young blood, great determination, and an abundance of spirit. Shining stars on the team were Senior Captain Casey Gokus, an All-Conference server, and Junior Robin Hinchey, an All-Star setter.

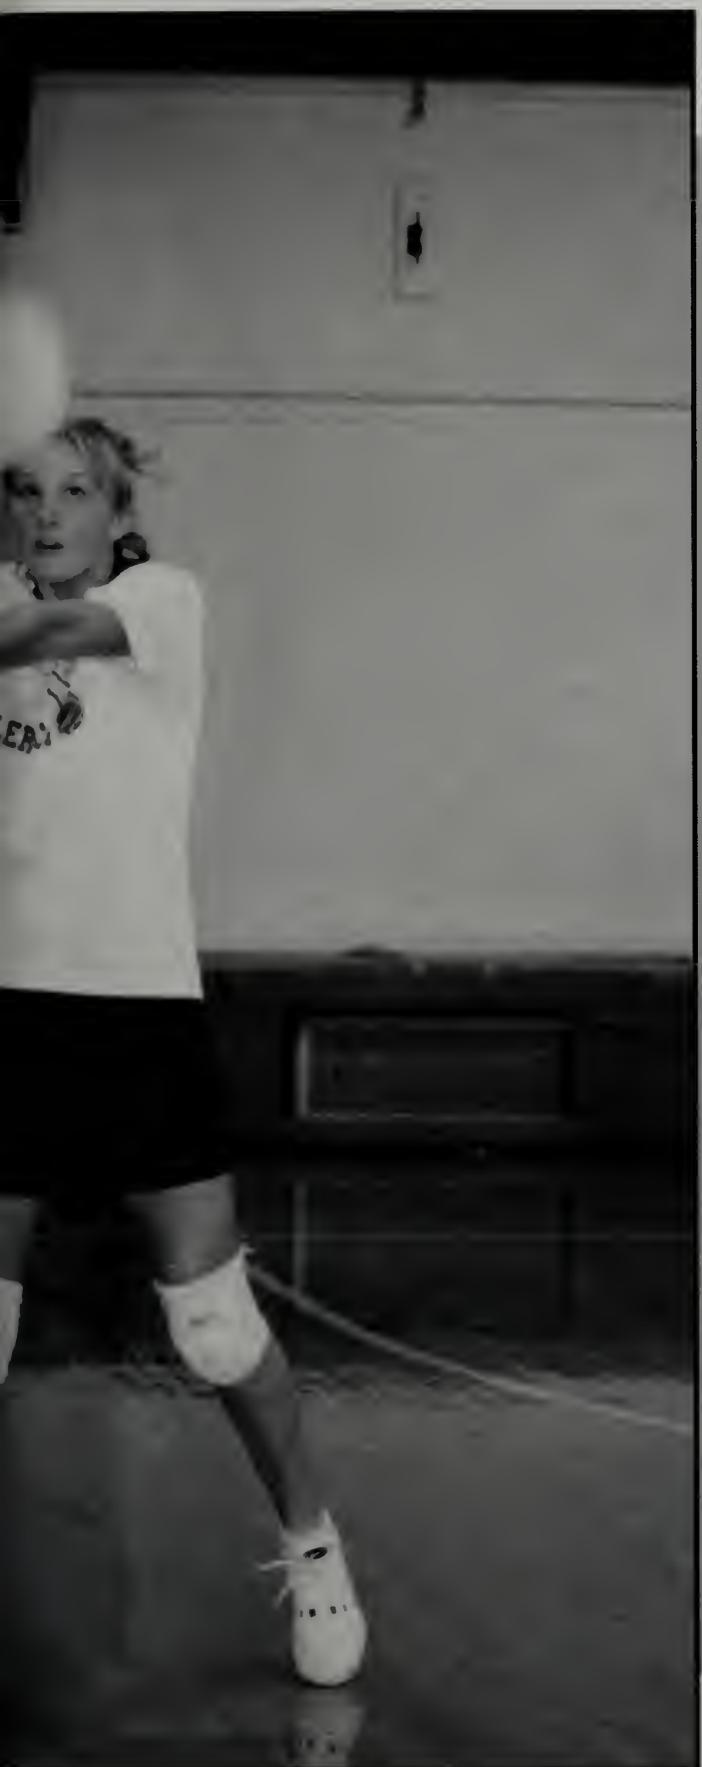

Senior Captain Melissa Traynham and Junior Bridget McDermott led the offense with their power hitting. Senior Captain Jesse Rowley, Junior Erin Fitzgerald, and Sophomore Sara Donaghey were essential to the team with their consistent defense. Junior Liz Fanning and Sophomore Nicole Murphy put up a huge block at the net. In addition to Gokus, Juniors Andrea Matheson and Jenny Baldwin helped serve to victory.

With their "never give up" mentality, the Girls Volleyball team was able to silence the doubts and criticisms they faced when the season began. The close knit team was able to turn their hard work into victory.

# Golf Driving Away the Competition

The 1997 Boys Golf team delivered yet another successful season. Overall the team mounted an 11-5 record while securing third place in the extremely competitive Merrimack Valley Conference. The team's success was due to a lineup stacked with Seniors. Derek DiRocco, Captain Josh McDonald, Captain Todd Rigoli, Steve Quin, Rich Bertolucci, Dan Duggan, and Tim Gearin were the Seniors who provided both leadership and talent. Underclassmen also provided help when it was needed. Freshmen AJ Mastrullo and Chris Fiers, and Juniors Hank Blake and Sean Tremblay will try to keep the winning tradition alive next year. Best of luck!

# Fall Cheering Getting in the Mood

Although we were unable to attend a competition this year, the football cheering team had a great season. The challenges we had this season made us a stronger team and we managed to come out on top by becoming friends and having a lot of fun.

The high point in our season came with the rally and the Thanksgiving Day game. We had a lot of fun performing for our school at the rally and winning the Thanksgiving game. Our Senior year was the best way to end the season.

We want to say thank you to our great team for sticking together and helping to support each other. Departing Seniors are Jackie Renoni, Kristen Lynch, and Beth McColgan. Good luck next year!

# Football Tearing up the MVC

Led by Seniors Tony Miranda, Martin Battcock, Steve Barker, Greg Gullage, Eric Meuse, Rick McKenna, and Chris Higgins, the Indians had an incredible season. Under Coach Flynn's helm, the team had another winning season. With great effort and heart, we beat the odds and upset the Chelmsford Lions at home by a score of 21-20. The Indians would like to thank all the fans for their great support and help during this difficult season.

## Band On the Road Again

The band and colorguard had another excellent season this year. Our musical program consisted of selections composed entirely by Leonard Bernstein. We began the season off strongly with a first place trophy at Trumble, Connecticut. Later in the season, we defeated our main competitors from New Jersey with a score of 96.8, the highest score Billerica has ever received. Our trip to Arizona to compete at the Copper Bowl proved to be a success for the band and a fun time for everyone.

Good luck to the band next year!

# Girls Cross Country Going the Extra Mile

This season was our most successful season in almost 15 years. We finished with a record of 9-1, won the MVC Large-School title, and beat our rival Chelmsford. We accomplished this with the help of our new coach Pat Murphy and many returning varsity runners.

Returning lettermen from last year include Senior Nicole LaMar; Juniors Candice LaMar, Kristen Tebbets, Kristen Fidler, and Kate Maslowski; and Sophomores Lisa Geary, Danielle Vinciguerra and Lisa McLay. Newcomers to the team were Senior Laura Khoshabijian; Sophomores Ally Maslowski and Laurie Skelton; and Freshmen Jen Sparacino, Jen Nestor, and Bethany Romano.

We finished off the season with a strong showing in the league meet, finishing second only to Tewksbury. Sophomores Lisa Geary and Ally Maslowski received All-Conference honors, while Juniors Candice LaMar and Kristen Fidler were named All-Stars. Our coach also received honors, as he was named Large-School Coach of the Year.

# Boys Cross Country Going the Distance

The Boys Cross Country Team had a successful season with a final record of 6 wins and 3 losses. The team was led by Senior Captains Cullen Hagan and Rob Sparkes. Other Senior competitors were Ben Davis and Phil Marino. Seniors Chris Allen and Tom Trant ran well in their first season of Cross Country.

Other varsity competitors who contributed to our winning season were Juniors Dave Peet, Scott O'Brien, and Jesse Graham; Sophomores Sachin Gupta, Colby Golus, and Jeff Anderson; and Freshmen Mike Fidler and Brian Carroll.

Also running well during the season were Juniors Awais Ahsan, George Noel, Steve Batchelor, Rob French, and Donnie Casey; Sophomores Charlie Virieros and Chris Neeb; and Freshmen Bobby and Andy Jones.

We would like to thank our coaches Mr. Granfield and Don Fay for a successful season and a great four years.

# Swimming Getting our Kicks

Fitting 40 people into a pool isn't easy, waking up at 5 AM on Saturday mornings doesn't sound that appealing, and traveling 30 miles a day to dive isn't really a convenience, but the BMHS girls swimming and diving team wouldn't want it any other way.

Diverse abilities as well as personalities make up our team. Having those pasta parties, a team sleep-over, and our sing alongs on the bus brought us closer together in and out of the pool. Our season, filled with individual best times and broken school records, was started off by our victory over Dracut.

It was a season of shattered records. The relay team of Leah Puffer, Emily White, Beth Colandreo, and Alicia Guild started off by breaking the medley relay record which was set in 1981. Then the relay team of Catie Button, Leah Puffer, Alicia Guild, and Beth Colandreo broke the 400 freestyle relay at the North Sectional meet. Individual records were broken by Andria Cucchiara, who remained undefeated in diving throughout the dual meet season, and Beth who re-broke her school records for the 50 and 100 freestyle.

For the past four years, the class of '98 has been a big part of the swimming and diving team. We have a lot of memories like winning the MVC our sophomore year, rough water polo games on Saturday mornings, and cheering at this years MVC Small School meet. Thanks so much to our coaches who always encouraged us to do our best and kept us focused. Thanks to our teammates for making our senior year one of the best. We'll never forget you. Good luck next season!

# WINTER SPORTS

## *Buckle up for safety*

No, there's nothing glamorous about the journey of the winter athletes as they trudge towards their appointments with destiny in humid gyms, on sweaty mats, and in damp hockey rinks. There the Indians made of sterner stuff shoot

and score, tumble and vault, out distance opponents or pin them in place. Winter athletes go to school in the dark and come home in the dark, but the signs of their success light up our scoreboards and brighten our trophy cases.

# Wrestling Weighing In

After losing two individual state champions to graduation in 1997, the Indian wrestlers had a lot to overcome this winter. With hard work and determination the wrestling team beat the odds and had another quality season. Leading the team to a 12-7 record were Senior Captains Jason Pearl, Pat Hogan, and Sean Osborne. Also making great contributions to the season were Seniors Darryl Plimpton, Brian Fahey, Mike Zuffanti, and Randy Prokos.

Accompanying the Indians' team success were many individual accomplishments. Captain Pat Hogan dominated his competition on his way to becoming the Division One State champion and a New England place winner at 189 lbs. Hogan was voted onto the MVC All-Conference Team. Seniors Darryl Plimpton (112 lbs.), Brian Fahey (119 lbs.), Jason Pearl (145 lbs.), and Sean Osborne made the MVC All-Star Team. Capping off the year was Coach Vincent Viglione's induction into the New England Wrestling Coaches Hall of Fame.

# Girls Basketball Road to the States

The girls varsity basketball season was nothing short of a success. The team was led by lone Senior Melissa Traynham. With only one Senior to look up to, the rest of the team just tried to come together and win games. They did just that, ending with an 11-9 overall record and qualifying for the states. Along the way, the Lady Indians got a big thrill, defeating arch-rival Chelmsford by 10 points. Their record earned them the 10th seed in the state tournament, but they were knocked out early by Somerville.

Along with Traynham, the team was captained by Junior Kristen Tebbets. Along with Tebbets, fellow Junior Bridget McDermott represented the team in the All-Star Game. A great season was played by varsity returners Meredith Hurley and Robin Hinchey. While Hinchey led on the defensive side with some fierce rebounding, Hurley led the offense with some trademark three pointers.

All in all it was a successful season and next year's team will no doubt be even more successful. Melissa Traynham's leadership helped guide this team through the season, but her impact will help for years to come.

# Boys Basketball Hoop Dreams

The 1997-98 version of the boys varsity basketball team posted a dismal 5-15 overall record. Although victories were few and far between, the team continued to play hard right up until the final buzzer sounded. They adopted the slogan "Play Hard or Stay Home," and play hard they did.

The Indians scored victories against Dracut, Somerville, Tewksbury, Concord-Carlisle, and North Middlesex. The highlight of the season came with the final home game of the year, versus North Middlesex. The seniors walked off their home court for the final time with the taste of victory in their mouths, routing the Patriots.

The Indians were led by tri-captains Bob Wamness, Joe Capalbo and Tom Blesso. The team was also helped by the strong senior efforts of Martin Battcock, Kyle Abrams, Matt Kennedy, and Mike Palumbo. Several juniors made important contributions to the team. They included George Noel, Mike Powers, and Vinny Tringale. Sophomores Chris Doneski and Mike Rauseo also played key roles in the Indians' season.

# Winter Cheering Pyramids of Perfection

The Boys Basketball Cheering Squad had an exciting season cheering for the team. The 14 girls on the team worked hard and pulled together under new coach Diane Cefalo. The team was led by co-captains Amy Peranelli and Denise Conte. Other Seniors included Krisi Leibovitz, Laurie Morreale, Kelly Clement, Jen Robbins, and Jen Pisini. Juniors who helped the team were Keri Joyce, Elise Colon, Erin Curran, and Caryn Baker. Sophomores contributing were Nicole Gilbeau, Meg Richard, and Tiffany Williams. The team stood by the Boys Varsity Basketball team through every win and loss. Their season was very successful.

# Hockey Blades of Champions

The 1997-98 boys varsity hockey team's season was nothing short of a success. Leading the team back to the Super 8 Tournament for the second consecutive year were captains Scott Yavarow and Tim Calabro and assistant captains Matt Burke and Jason White.

Also contributing to the trip to the Fleet Center were seniors Pete Jenkins and Andy Maslin, juniors Sean Tremblay and Jeff Abelli, and sophomores Chris Dussault and Dan Cetrone.

Yavarow and Maslin each had an excellent year in net, splitting the role of goaltender. The goal scoring was in abundance thanks to Matt Burke, Jeff Abelli, and All-Conference/Player of the Year Tim Calabro. Although the season did not end as they had hoped, the team battled through it all. Their efforts will not be forgotten by the dedicated and enthusiastic fans.

# Gymnastics

## Vaulting to Victory

This year the gymnastics team was comprised of mostly younger members. Jaclyn Renoni, the only Senior, captained a team of two Juniors, five Sophomores, and eight Freshmen. Jaclyn competed in the all around along with stand out Freshman Kim Dulong. Juniors Noelle Bachand and Laurie Gladyszak, and Sophomore Jenny Graham competed in three events while the rest of the team competed in at least one event. Although the team was young, it had depth and everyone on the team contributed. The team ended up with a 4 and 4 record and placed sixth at the MVC League Meet. Both Jaclyn Renoni and Kim Dulong made it to individual states for the vault.

Team members: Jaclyn Renoni, Noelle Bachand, Laura Gladyszak, Crystal Giurelo, Jenny Graham, Tina Mungillo, Kelly Sullivan, Christine Allosso, Amy Collier, Kim Dulong, Renee Fahey, Laura Greeley, Julie Carragher, Kerri Curtis, Jamie Miller, Janine Pierre.

# Boys Winter Track

## More Than Statistics

The Billerica Boys Winter Track team ended its season with a record of 3 wins and 4 losses. The team performed well all season, recording wins against Lawrence, Dracut, and, most memorably, Andover.

The success of the team was due, in part, to the great leadership contributed by Seniors. Great contributions were made by Senior captains Ben Davis, Rob Sparkes, James Dalfino, Cullen Hagan, and Eric Meuse who led the way along with Seniors Scott Pomerleau, Mike Newcomb, and Jared McLay. Due to the hard work and great efforts put forth by the entire team, especially the Seniors and the coaches, the Boys Winter Track team made the '97-'98 season one to remember.

# Girls Winter Track Pride is Forever

Coming into the new season with MVC Division II Championship the year before, the Indoor Track team was moved into Division I for the 97-98 season. Tougher competition was expected, and the team was ready for it. With six seniors and many returners from last year, the team had a full range of athletes and performed strongly in almost every event.

All the seniors on the team were named captains. The six, who had been on the team since freshman year, were: Deirdre Lorway, Nicole LaMar, Melissa Gonsalves, Susan Cucchi, Lisa Cerroni, and Niamh Brady. With the leadership of the seniors and the dedication of the underclassmen, the team had only one loss the entire season to Chelmsford; a meet which came down to the final relay race.

In the post-season, Billerica had four athletes make it to the All-State Championship. Competing in the 4x400 relay were Nicole LaMar, Melissa Gonsalves, Kristen King, and Candice LaMar. Candice LaMar also ran in the 600 yard run. Gonsalves competed also in the high jump.

Team Members: N. Brady, L. Ceroni, S. Cucchi, M. Gonsalves, N. LaMar, D. Lorway, C. Banfield, A. Borsini, K. Fidler, C. Goguen, K. Graham, P. Jasset, C. LaMar, K. Maslowski, A. Matheson, L. PLAY  
AREA

Maybe going the distance is easier in the spring because we savor the last lap of the journey that much more. The team bus kicks up its wheels and we're off to Andover or Chelmsford to hit harder, run faster, serve aces and slam spikes with more gusto than ever before. In spring we repave our dreams and draw

new maps to our goals. The signs of rebirth surround us; they are in the fresh mowed practice fields, on "puddlelicious" tennis courts, in blue skies cradling clouds and high pops to center field. Spring torrents mucked up the sports schedules but didn't dampen the spirits of Billerica Indians, bound for glory.

# Girls Baseball Above and Beyond

This season the softball team went above and beyond the call of duty. They surprised everyone. Everyone that is, but the Lady Indians themselves. Teams of the past have always been known to have positive attitudes and this team was no exception. In the MVC they finished third, defeating some very difficult teams. They qualified for the state tournament, but came up short against Chelmsford.

The Indians were led by tri-captains Senior Nikki Corroto and Juniors Bridget McDermott and Lisa Daye. Also contributing to their success were Juniors Meredith Hurley and Kristen Fiddler, Sophomores Andrea DiSalvo, Lisa Lariviere, Michelle Derochers, and star pitcher Melissa Crear. These ladies helped earn Billerica a record of 11-4 overall and 10-3 in the conference. To say the season was a success would be an understatement!

The 1998 Baseball Team had its ups and downs throughout the course of the season and finished with a 7-13 record. They started off positive at 4-4, but an eight game losing streak put an end to any tournament hopes.

The team was led by Seniors Matt Clemente, Rich Bertolucci, Tim Gearin, T.J. Ennion, Tom Trant, and Senior Captain and All-Conference selection Jason Pearl. Also contributing to the team were Juniors Keith Dodge and Dennis McKenna, and Sophomores Chris Doneski, Erik Thomas, and Mike Rauseo.

# Girls Spring Track Racing to the Finish

The Girls Spring Track team had a disappointing season if you look only at the record. If, however, you talk to anyone on the team, they will say just the opposite. The team was led by Captains Jackie Renoni, Niamh Brady, Susan Cucchi, and Nicole LaMar. Jackie Renoni contributed to the team in both the javelin and shot put, qualifying for the state meet in the shot. Susan Cucchi dominated competition in the long jump and sprints. Nicole LaMar was very versatile. She excelled in hurdles and mid-distance. Niamh Brady, unfortunately, missed most of the season due to an injury. Also contributing to the team were Most Outstanding Athlete Candice LaMar (sprints, jumping), Lisa Geary (distance), Kristen King (mid-distance), Amy Wittenhagen (sprints), Andrea Matheson (shot put), Lisa Picardi (javelin), and Melissa Gonsalves (distance, mid-distance, high jump).

The combined efforts of the team and coaches led them through another season. Head coach Donald Fay, with the help of assistant coaches Daniel Murphy, Bob Loranger, Peter Flynn, and Deanna Giordanno, guided the team through the 1998 campaign.

Team members: Niamh Brady, Susan Cucchi, Nicole LaMar, Jaclyn Renoni, Colleen Banfield, Andrea Borsini, Cindy Chaves, Katie Graham, Amy Johnson, Candice LaMar, Stephanie Ly, Andrea Matheson, Lisa Picardi, Amy Wittenhagen, Melissa Daly, Lisa Geary, Lisa McLay, Kerri Curtis, Meghan Deeney, Catherine Hogan, Kristin King, Eileen Lorway, Rebecca Pettingill, Crystal Peverill, Marybeth Schermerhorn, Emily White, Nicole Young, Paula Jasset, Melissa Gonsalves, Catherine Rideout, Kim Clark, Lorie Skelton, Katelyn Todd, Danielle Vinciguera, Katie Zediana, Jessica Levitre, Jessica Wellum, Jennifer Anderson, Brenda Baker, Laura Greeley, Danielle Hafey, Jenn Newcomb, Ambika Wali, Nicole Small

# Boys Spring Track Leave Them in the Dust

The Boys Varsity Track team had a difficult season to say the least. The team finished with a 1-6 record overall. The disappointing record should not overshadow the team's great athletic talent and performances.

The team was led by its strong base of Seniors, including Captains James Dalfino, Cullen Hagan, Eric Meuse, and Rob Sparkes. They kept the entire team working hard all season. Cullen Hagan continued to dominate the competition, whether it was in the 400 or the 800. James Dalfino placed consistently in the 400 and the triple jump. Eric Meuse was able to hold his own in the shot put and discus, qualifying for the states in both events. Rob Sparkes, the team's number one distance runner, excelled in the mile and 2 mile. The team was helped by many other Seniors as well. Ben Davis was a multi-talented athlete, excelling in the high jump, 100 hurdles, 300 hurdles, and the 400. Joe Capalbo dominated in the javelin and triple jump, qualifying for the state meet in both. Bob Wamness performed well in the 800, the mile, and the discus. The team also had some contributions from Juniors, Sophomores, and Freshmen. Donnie Casey destroyed opponents in the 100 and 200. Colby Gokus and Dave Falvey ran well in sprint races. Sachin Gupta and Dave Peet also ran well in their distance races.

Throughout the season the team made vast improvements, always trying to better themselves. All of the above mentioned people and the 4x100 relay team of Seniors Scott Pomerleau, Mike Newcomb, Jared McLay, and Sophomore Dave Falvey qualified for the state meet.

The sprint medley relay team, consisting of Davis, Dalfino, Hagan, and Casey, captured the Class A State Title. They also traveled to North Carolina for the National Meet, but were unable to compete due to injury. The high jump relay team of Davis, Ryan Burke, and Jay Mingello placed sixth in Class A as well.

Team members: Ryan Burke, Joe Capalbo, James Dalfino, Ben Davis, Derek DiRocco, Cullen Hagan, Pat Hogan, Jarad McLay, Eric Meuse, Mike Newcomb, Scott Pomerleau, Rob Sparkes, Bob Wamness, Donald Casey, Jesse Graham, Jay Mungillo, Scott O'Brien, David Peet, Craig Ahagian, John Shea, Adam Smith, Chris Spraker, Matt Tonini, Jason Dickey, David Falvey, Colby Gokus, Sachin Gupta, Seth Gurney, Marc Lombardo, Jonathan Renoni, Michael Skelton, Charles Viveiros, Chris Walsh, Kevin Cerroni, Joseph Damigella, Jason Frotten, Kevin Moore, David Torrice, David January, Jeffrey Anderson, Adam Aylward, Kevin Demerjian, Daniel Ostler, Daniel Butcher

# Girls Lacrosse Cradle the Ball

The 1998 Girls Lacrosse season was a very memorable one. It marked the first time in four years that the Lady Indians posted a winning record of 8-7-1. The team was led by tri-captains Kristalyn Miller (3rd Man), Christina Richards (2nd Man), and Jesse Rowley (1st Man). Senior Kim Ames had an outstanding season in goal. She was helped on the defensive end by Senior defender Allison McNulty. Both players showed great teamwork and sportsmanship. In addition, Casey Golus who was known as the senior who was always relied on to play a variety of offensive positions, contributed to a great winning season as well. With the perseverance and great teamwork, the Lady Indians entered into the state tournament for the first time since Girls Lacrosse has been offered as a sport. This was a remarkable accomplishment for a remarkable team.

Team Members: Kimberly Ames, Casey Golus, Allison McNulty, Kristalyn Miller, Christina Richards, Jesse Rowley, Carissa Carsno, Elizabeth Fanning, Kristine Gallagher, Michelle Lynch, Colleen Murphy, Jenn O'Brien, Jennifer Regis, Jacqueline, Maureen Spencer, Sarah Donaghey, Natalie Kent, Elizabeth Naples, Caitlin Powderly, Courtney Sarno, Mary Jean Sullivan, Paula Lopes, Melissa Traynham.

# Boys Lacrosse Take the Shot

The Boys Varsity Lacrosse team enjoyed another successful season. They were crowned league champs, for a second year in a row. Led by tri-captains Scott Yavarow, Martin Battcock, and Lee Sarno, the Indians scored a winning record of 14-5. Graduating Seniors Jason White (defense), Mike Palumbo (defense), Darryl Plimpton (Mid-Field), and goalie Paul Beck greatly contributed to the winning team. The team made it all the way to the State Tournament in which they suffered a disappointing loss. However, it was team sportsmanship and perseverance that mattered most. It was a memorable season that the 1998 graduates will never forget.

# Girls Tennis Love, Set, Match

The girls tennis team fought through a rebuilding season after losing five key seniors to graduation. They returned this season with only one senior to lead the team. Senior Capt. Kristyn Kneeland resumed her position at first singles winning around fifty percent of her matches. Sophomore Colleen Donovan excelled at her first season at singles in the second position. The Ly sisters, Mary and Susan, alternated at the third singles position successfully throughout the season. Doubles positions varied somewhat for the best results possible. Junior Katie Donovan at first doubles and Kristin Meurer at second doubles played with many partners including Cara Howe, Mary Ly, Susan Ly and Alexandra Pappas. Losing only one senior, the team should return strong next year. They are looking forward to the seasons to come.

# Boys Tennis Match Point

With only one senior to lead the team this season, the BMHS boys tennis team has been busy rebuilding. The young team gained great experience through their vigorous practice and training. A 6-10 record was one start to help the team improve and shape up for more years ahead. Although the team did not make states, they had a great season.

Leading the team at first singles was the lone senior captain Chris Allen. He won nearly half of his matches against some tough competition. Junior Phil Whitman and Sophomore Bill Doherty played first doubles. Nick Barret, Jon Pomerleau, Shaunt Voskanian, Sean Landry, Kevin Thompson, and Greg Yavanian all split second doubles.

Sophomore Wes Zichitella stepped up this season, played second singles. Dennis Levesque earned a spot at third singles. The team gained great experience under Coach Severo . . . Best of luck to the team in the future.

# Boys Volleyball Spike the Ball

Even though some of the conference champion volleyball team was lost to graduation, the new 1998 Boys Team was definitely set and ready to go. They were up to the challenge and confident that they would be just as successful as their predecessors. Unfortunately things did not go as they had hoped. They posted a 7-13 record, but the players held their heads high. Steve Economakos led the team in kills and digs even though he missed the first five games due to an injury. Phil Marino amassed 122 blocks, 99 kills, and 180 digs, an impressive record for a first year player. Mike Greeley supplied a great defensive year, Jeff Cusato filled in some big shoes at the setter position, and Jeff Melvin was the star outside hitter. Mike Hart and Ray Burgett provided some sparks on offense, Mike Dellacava mastered the serve, and Matt Gerish and George Durante won many battles at the net. Steve Quin was the best all-around player on the team with his great serving, team leading digs, and his offensive prowess.

Best of luck to Coach Hovnanian, Coach Robb, and the future BMHS volleyball team.

## CLUBS AND ORGANIZATIONS

Side trips and detours add spice to any journey, and those who follow only the straight and narrow path to graduation have missed some interesting twists and turns. Clubs and organizations at Billerica High make our journey interesting and varied. Some of us take roadies to France, Spain, and Italy through the language clubs; others, like those who join the Mock trial group and

computer club, explore future career choices. Some find the road to fulfillment in helping others through the Community Service group or Amnesty International.

We find pleasure in stopping to smell the roses along our high school journey. Those detours into our interests and passions make that journey more enjoyable.

## B.M.H.S. Theatre Company

During this past fall, the BMHS Theater Company performed William Shakespeare's classic comedy "A Midsummer Night's Dream." From September until the show, the accomplished cast practiced and rehearsed night and day for the production. The play focuses around the trials and tribulations of the four lovers: Helena, Demetrius, Lysander, and Hermia. Here we see the story unfold through the wizardry of the Fairies and the captivating bumbling of the Rustics. Both the cast and crew performed in the Massachusetts Drama Guild Festival for the first time. They proceeded to the semi-final round accumulating numerous individual awards for excellence along the way.

# Senior Events Happy Trails to You

*"Time flies when you're having fun"*

Life is a journey, and here at B.M.H.S. this leg of the journey is in the home stretch. The class of 1998 is on a final road trip together: Enjoy sign-out, class day, senior recital, the prom and graduation; all are important stops along the way, loaded with meaning and emotion. So far we've avoided pot holes and major crashes, and

our detours and dent-damage are our badges of courage and experience. It's been a long, strange trip, but we know now that the best part of the journey lies beyond the next hill or around the next bend in the road. And know this as well: Our journey has really just begun. Embrace the road ahead. Enjoy the ride.

## Senior Recital: Traveling Music

This year's June recital was, for the seniors, the culmination of four years of friendship and collaboration. Organized by Shonna McEachern, Jenna Davies, Juliette Mones, Marie Liberatore, and Ann Faria, the event took place earlier than usual and was better organized, perhaps for that reason. Erika Schoenthal got things off to a rousing start with her perfect Master of Ceremonies imitation.

Shonna and Neil Crimins appeared for the last time together on the BMHS stage singing "It Takes Two" from *In the Woods*. "Birdland" was smartly interpreted by Mike Greeley, Willie Conrad, and Josh Eriksen. Ann Faria escorted her little sister to the stage for a tender duet from *Pete's Dragon*. Ann, Erika, Catie Rideout, and Melissa Gonsalves danced their farewells to the music department and Billerica High. Nathan Tobey chose to perform a dramatic reading of a thought-provoking poem.

But it was Marie Liberatore who brought down the house with her hilarious rendition of the famous "flying sheep" skit from the Monty Python gang. Once again these and other talented members of the Class of '98 showed their wit and creativity that evening. They will be missed.

## FOLLOW EVERY RAINBOW: The Sound of Music

This past spring, the Music Department presented Rodgers and Hammerstein's celebrated musical "The Sound of Music". This autobiographical tale of the Von Trapp Family Singers reached epic proportions by touching the hearts and souls of its viewers. Maria's journey to the Austrian Alps in search of inspiration and adventure brings her to the Von Trapp family. The multi-talented cast, crew, and director effectively portrayed and accentuated the challenging characters. The company rehearsed rigorously to make this colorful production the masterpiece Billerica audiences have come to expect and appreciate.

## FROM BUSES TO LIMOUSINES: SENIOR PROM

On Friday evening, May 22, 1998, the senior class gathered as a whole for one last party. The celebration began as limousines, sports cars and other vehicles rolled into the parking lot of the Ferncroft in Danvers. It was time to have a blast and make some memories.

As people waited for pictures and food, the different array of tuxedos and dresses were on display. Every possible style was present. The class of '98 was dressed to kill. As couples danced the night away, the chaperones and special guests chose the king and queen and their court. Prom King was Scott Yavarow and Queen was Erin O'Rourke. Their court consisted of Rob Sparkes, Matt Burke, Jay White, Katie Mixon, Kristin Joyce and Angela Stevens. "Hold On To The Night" was chosen as our prom song. The elegant ball room and hotel provided a great setting for one of the class of 98's last celebrations.

# SIGN-OUT: LAST EXIT

On June 1, the class of 1998 approached the last exit on the road known as high school: the great sign out. The parent advisory council sponsored a delicious senior breakfast and then negotiations with faculty for needed signatures began.

But there was plenty of time for seniors to reminisce about their lives together since elementary school and talk about their work and college destinations. All in all sign out is a complicated moment in a senior's life: a little begging and a little last minute bonding. A bittersweet moment: happiness about moving on, but a curious, unexpected sadness about leaving.

## CLASS DAY: On the Road

Released from graduation rehearsal, armed with beach towels and bug spray, we hit the road with useless directions — where 1.6 mile equals two ruts and a turn-off. Our destination? Class Day 1998: Cedardale, Groveland. A day for relaxation where hot tubs and hot dogs replaced textbooks and tests. Tennis courts, mini golf, swimming pools, basketball and sand volleyball allowed us to unwind before our long awaited walk up the Marshall Field. Great music and food made our journey to Cedardale (and all the gasoline we wasted trying to get there) very worthwhile.

# Graduation: One Journey's End

Graduation Day: The culmination of our high school achievements. The day we thought would never come flew by us in a heartbeat. Over three hundred graduates received their diplomas, their tickets out of high school on that beautiful evening at the Marshall field. All of the Speakers were eloquent, and the graduates were commended for their excellence in all areas. Guest Speaker Bernard Doherty captivated the graduates with his speech on life. Other speakers reminded the graduates of friendship, individuality, and courage in the face of tough circumstances. One could feel the sense of urgency among the graduates and their bright hopes for the future. It was a great celebration, bringing to an end four great years at BMHS.

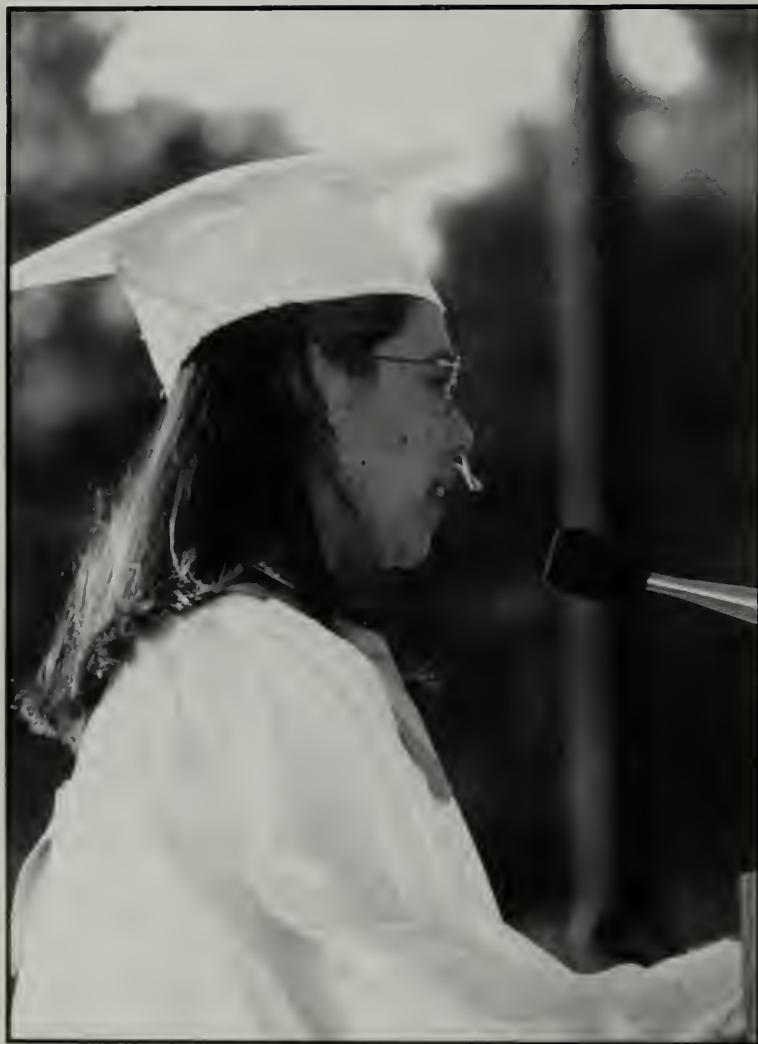

Above left: Mrs. Molloy and Jesse Rowley celebrate her success.

Above right: Robert Sparks and James Carlson are happy to have achieved so much.

Right: Barry Lombardo and Laura Khoshabjian pay full attention to the speakers of their graduating class.

Far Right: Neil Crimins, Shonna McEacheran, and Jenna Davy, sing the national anthem.

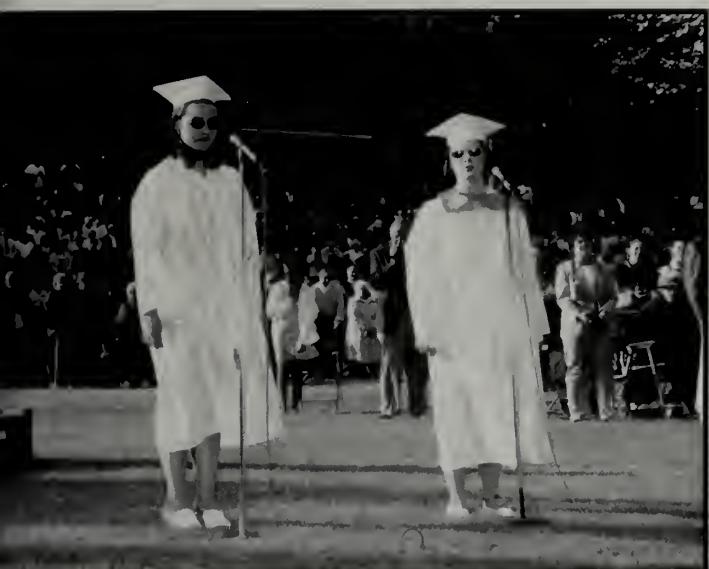

"Despite our differences, to all of us, graduation signifies a rebirth, a chance to wipe the slate clean. If we dwell on the problems of the past and let them defeat us, we will not have the strength to face the opportunities and problems that await us in the future."

Jennifer Cormier  
Valedictorian

"Everyone has the capacity for greatness. It takes courage and insight to recognize this capacity in ourselves. We should not be afraid to trust ourselves. It is OK for every person in the class to say "I think" something or to say "this is my opinion." You should believe in your opinion. Say to yourself "I know the answer." As we leave high school, it is important to remember that we must preserve our individuality. Trust yourself. Be an individual. Let your freak flag fly."

James Carlson  
Salutatorian

Below middle: The Ladies of B.M.H.S. pose for a picture.

Below bottom: Heather Bannister and Lynn Anderson say good bye to Billerica Memorial high.

"It was 1994 when we entered high school as nervous little freshmen . . . Over the next four years we began to establish the most important friendships of all. These were going to be the people whom we would spend the best years of our life with. At BMHS there were so many opportunities to make friends."

*Congratulations* on all your accomplishments. We're proud of you! Remember as you go through life, keep working hard, give everything you've got and leave your mark on everything you do. You'll know you've been successful and have accomplished all your goals, if 80 years from now, there is "standing room only" at your funeral.
